

MERCK ONCOLOGY 1S 2021: CHALLENGE SESSION

TUMOR TEAM

Activity Mini-Guide

Welcome to a Challenge Session!

In this activity, the group will collaboratively work toward finding a solution for a pre-identified need or issue during the given time.

Pre-Work

- **Determined and received approval for Challenge: Input challenge**
 - Option to send the challenge to participants in advance of the session to prime thinking
 - Have determined with OFT if there will be a competitive aspect to the workshop.
 - Determined small breakout groups in advance of the activity
 - Breakout groups can be broken out by region or a mix of regions (depending on the challenge)
 - If applicable, consider combining tumor teams within breakout groups to further enhance collaboration
-

Agenda

60 minutes total

- 5 min: Activity Introduction
 - 5 min: Challenge Introduction
 - 30 min: Breakout Groups
 - 20 min: Breakout Share Out
-

Learning Objectives

Upon completion of these activities, participants will be able to

- ✓ TBD: Dependent upon the identified challenge
-
