

MERCK ONCOLOGY 1S 2021: DISCUSSION GROUP

Tumor Team

Workshop Mini-Guide

Welcome to a Discussion Group!

In this activity, the group will have read or listened to a podcast, article, infographic, video, or resource prior to the session. This collaborative group time is focused on discussion centered around the chosen topic.

Pre-Work

- **Resource:**
 - Sent to participants in advance of the activity with the expectation that it must be read or listened to by the scheduled Discussion Group
 - Option to also send the questions/topics that will be discussed so participants have time to prepare thoughtful responses
- Discussion questions and/or topics prepared and disseminated to participants in advance that will be used to facilitate group discussion

Agenda

45-60 minutes total

- 5 min: Activity Introduction
- 5 min: Pre-work Review
- 35 – 50 min: Roundtable Discussion

Learning Objectives

Upon completion of these activities, participants will be able to

- ✓ TBD: Dependent upon chosen pre-work

Tumor Team

Facilitator Instructions

Slides 1-4: Workshop Introduction (5 min)

- **Show** slide 1 on-screen as participants join the workshop
 - **Welcome** participants to the *Discussion Group*
 - **Introduce** yourself and any other facilitators
 - **Review** the Important Information
 - **Review** the Agenda
-

Slide 5: Resource Review (5 min)

- **Remind** participants briefly what the assigned pre-work resource was.
 - **Provide** background information, rationale, and other key information for why that specific pre-work resource was chosen.
-

Slides 6-7: Roundtable Discussion (35 – 50 min)

- **Lead** a discussion using the questions and topics on-screen as guidance.
- Options to keep discussion focused:
 - Post one question/discussion topic per slide
 - Have participants use the Raise Hand feature and wait to be called on
 - Slide 7: End with actionable items for participants to follow through with once they are back in the field.

Slide 6: Workshop Conclusion

- **Thank** participants for attending the *Discussion Group*.
- **Conclude** the activity.
